Overview of Commemorative Tree Program

Georgia Regents University welcomes gifts of trees to honor a loved one, pay tribute to a friend, mark a special event or milestone, or simply to enhance the beauty of the university’s grounds.

Commemorative trees are available for a $2,500 donation to the university. A portion of the $2,500 gift will be used for purchasing and installing the tree as well as installing a recognition plate. The remaining amount of the gift will be added to the GRU Tree Fund to provide for maintenance of donated trees and to fund scholarships for Georgia Regents University students.

Please see the example of plate language below and add your personal message in the blank box provided.

Red Chestnut Tree
Gifted By
SESALY GOULD KRAFT & FAMILY
To Celebrate the 90th Birthday of
KATHERINE ELLIOT of
AUGUSTA, GEORGIA
19th April 2013
